DRIVE ORGANIZATIONAL DEVELOPMENT AND CHANGE

WITH THE FEDERAL CONSULTING GROUP

Team FCG

We are a fee-for-service federal organization within the Department of the Interior that has been serving the federal community for over 20 years.

Team FCG is staffed with career federal leaders who have extensive experience in managing major programs and working with senior leadership to acquire the right services to achieve your organizational goals.

Working with **TEAM FCG**
is as easy as **1...2...3...**

1

Fast track your agency's access to executive coaching, consulting, and performance services through experienced federal practitioners and expert consultants.

2

Achieve and exceed federal performance improvement mandates, while simultaneously accomplishing your agency's core mission.

3

Expedite the Office of Management and Budget (OMB) clearance process for customer service surveys.

Services

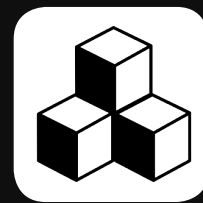

Consulting

Collaborate with our expert federal practitioners and consultants to prepare, plan, execute, and achieve measurable results in your initiatives.

Executive Coaching

We specialize in customized executive coaching services, conducting leadership assessments, and facilitating workforce transformation to address the unique needs of your organization.

Performance Measurement and Customer Satisfaction

Effectively track your organization's metrics and develop strategies to increase customer and employee satisfaction.

We offer a streamlined process that enables you to obtain our services quickly through an interagency agreement or similar arrangements that meet your agency's requirements.

Events

Federal Executive Roundtable Series (FERS)

Senior Executive Service (SES) professionals are invited to this free facilitated workshop for an open exchange in challenges and lessons learned in being an effective leader.

Federal Organizational Development Community of Practice Meetings (OD CoP)

This community of practice is for current federal employees directly involved with the design or delivery of organizational development (OD) or organizational effectiveness (OE) services to their federal organization.

Leadership Effectiveness Exchange (LEE) Series

These sessions focus on the unique leadership challenges faced by federal managers. There are three different sessions available for federal executives, federal managers, and federal supervisors.

CREATING A Citizen-Centric Results Oriented Government

Moving Government Forward

We believe good government starts with assessing and improving customer satisfaction with government service programs, developing leaders through training, coaching, and mentoring, and partnering with senior leaders to enhance leadership and organizational effectiveness at all levels. We offer our customers practical and cost effective services. Most importantly, we deliver results.

Let Us Help You Place Innovative Shared Solutions Where and When You Need Them.

Team FCG works in partnership with industry consultants with extensive knowledge and experience to achieve results and lead large, high profile programs and projects. Team FCG understands the challenges of today's federal leaders and provides solutions that lead to success.

We can complete an Inte-Agency Agreement (IAA) for services in as little as 10 business days. Through IAA's, Team FCG will fast track your agency's access to federal Solutions As A Service (SaaS).

Gain access to a robust service catalog through pre-awarded blanket purchase agreements (BPAs) and Indefinite Delivery Indefinite Quantity (IDIQ) contracts delivered by Team FCG contractors.

Team FCG is the gateway to the American Customer Satisfaction index (ACSI), GovDelivery, and Foresee Results.
